Visitors Policy

Our School's Values are: [add the values of the school]

FRAM School ensures all visitors a warm, friendly and professional welcome regardless the purpose of their visit. But its main legal obligation is to ensure the health, safety and safeguarding of all students and staff.

To meet this obligation, all members of the community and all the visitors must respect the Health and Safety and the Safeguarding Policies alongside the current specific policy.

Responsibility

The SLT, collectively, and the Health and Safety Officer are responsible for the implementation, monitoring and revision of this policy. The Health and Safety Officer collaborates with the Campus Administrator, the security staff, and the DSL. All issues that are linked to this policy must be reported to the Health and Safety Officer.

Aims

- The safety and security of our students and personnel is maintained;

- The visit does not disrupt the education of students

- The visit is in compliance with the Health and Safety set of policies.

The Visitors Policy is applicable for the entire site of the school – buildings and the exterior areas delimited by the school's external fence – areas for relaxation, play, sport, internal parking.

Definition:

For the purpose of this policy, a visitor is defined as any person that is on the FRAM SCHOOL site who is neither a current registered student nor a currently employed staff member.

Volunteers, who are therefore regular visitors, are mentioned in this policy as well, but they follow a specific procedure – see the Volunteers Policy.

Procedure:

- All visitors will enter the school site through the main gate

- All visitors will report to the School Gate Reception Desk

- All visitors will show their ID and register in the Visitors' Log: first name, surname, purpose of the visit, the name of the staff member they will meet, arrival time. At the end of the visit, the departure time will be noted as well. The visitors will sign in the log.

- All visitors will receive a Visitors School Lanyard – they will wear it visibly during the entire time spent in the school site. It will be return to the School Gate Reception Desk at the end of the visit.

- All visitors will wait at the School Gate Reception Desk, The Gatekeeper of duty will inform the staff member being met and escort the visitors to the meeting place. The Gatekeeper of duty will call the staff member to announce the arrival of the visitor.

In case of a pandemic, or a medical procedure, the measures described in the Pandemic Response Policy will be taken – e.g. temperature check, face mask to be worn, maintenance of social distance.

During the Visit

Visitors are accompanied by a member of the school's staff or student at all times, except the visitors registered on the Approved Visitors List.

It is the shared responsibility of the visitor and the member of staff to ensure that the visit does not disrupt the safe running of the school;

Visitors are required to follow safety and security instructions given by any member of school staff.

Approved Visitors List

FRAM SCHOOL will create a list of approved visitors with reference to the persons who conduct regular activities on school's site – external contractors, afterschool club teachers, maintenance staff, volunteers.

To be included on this list, the visitors must:

- Have an up-to-date police clearance without any negative mentions.

- Have a written approval from the school principal to conduct an activity on the school's site.

Visitors from the Approved Visitors List must report to the School Gate Reception Desk to be registered in the Visitors Log and receive the Visitors School Lanyard that must be worn visibly at all times during the visit.

A copy of this list will be kept at the Reception Desk at all times

All the external contractors and volunteers must respect the Safeguarding Policy as well.

Unknown / unregistered visitors

Any visitor present on the school site without wearing the Visitors School Lanyard must be approached by any of the school staff members. They will be accompanied to the School gate Reception Desk to be registered according to the procedure described by this policy.

If the visitor refuses to conform to this request, he/she will be asked / and accompanied to leave the school site, the school principal and the Health & Safety Officer will be announced immediately. After analyzing the situation, they will contact the police as well.

If any visitor becomes aggressive, he/she will be immediately accompanied out of the school site and the police is informed. The Emergency Response Policy applies in this situation.

Staff not challenging unidentified visitors will be neglecting their duty to ensure school security and pupil safety. Visitors, even parents and volunteers, will not always be known by all staff and therefore need to display their visitors badge or lanyard at all times.

Professional Development

All staff members will be trained on the content and practice described by this policy as part of their induction programme.
